

LONGEVITY by NATURE®

A New Line of Quality, Innovative Supplements for Rejuvenation, Health & Longevity

Introducing Longevity by Nature

Longevity by Nature is a California-based manufacturer of nutritional supplements using only nature as a source of its raw materials. Our branded products support:

- Longevity
- Joint Health
- Healthy Aging
- Beauty
- Immune Health
- Cardiovascular Health
- Brain Health & Cognitive Function

Our products are formulated with natural, science-based ingredients, including multiple types of collagen (I, II, III, V, X) from multiple sources (avian chicken sternum, eggshell membrane, fish, jellyfish), as well as phytonutrients and powerful antioxidants from grapevine, olive and persimmon leaves.
